Date: Thursday, January 17, 2008
Time: 5:30 P.M.

TOUR HIGHLIGHTS:

The El Dorado Correctional Facility opened in 1991. The facility has 467 full time employees and an operating budget of \$22.3 million dollars. The EDCF is distinguished from other correctional facilities in the state because it houses the most dangerous inmates assigned to involuntary segregation. Vornado Fan and Century Manufacturing both have operations within the facility. Century Manufacturing, the private correctional industry, expanded its operations in 2002, and currently employees up to 107 inmates.

PROGRAM INFORMATION:

Gina Marx, wife of President Terry Marx, is currently Assistant Superintendent for the Valley Center Schools. She is trained as a certified 'Aggression Manager' from the

Center for Aggression Management. She will share tips for managing aggression in the workplace.

Warden Ray Roberts of
