

The majority of the monthly meetings of The Wichita Manufacturer's Association consist of an informative tour of a local manufacturing facility followed by dinner and presentations on a variety of topics. The scene changes every June when the members gather for their annual picnic to wrap up the first half of the year and break for the summer. It's a great time for the members to relax and get to know one another better. Combine that with delicious Bar-B-Q and great prizes and you've got one of the most popular events of the year for the WMA.

Special thanks to Sam Jones & Carl Kelly

And to the Chamber for ice cream!

Members filled up on delicious food from Bite Me Bar-B-Q before the games began
