Thursday, January 18, 2007

TOUR INFORMATION:

Where: Wichita Workforce Center
150 N. Main (the former Commerce Bank Building)

Date: Thursday, January 18th
Time: 5:30 P.M.

TOUR HIGHLIGHTS:

In keeping with tradition, we kicked off 2007 by touring a local nonprofit organization. **The Wichita Workforce Center and Workforce Alliance of South Central Kansas** hosted a tour that we believe provided extremely valuable information on meeting your workforce needs. Among the services provided at the center are recruitment, screening and referral of applicants, assessment tools for your individual company needs, facilities for job fairs and for worker training. Best of all they are targeted to your specific needs and provided at no charge to employers! Employers like **Cessna Aircraft, Cox Communications and Sedgwick County** are partnering with the center for workforce solutions.

PROGRAM INFORMATION:

Lori Usher, Executive Director of Workforce Development for Sedgwick County and Peter Gustaf, Executive Director for Kansas Technical Training Initiative (KTTI) updated us on the Jabara Technical Education and Training Campus and the partnership working to provide a world-class system and facility for technical training.
