Date: Thursday, September 20<sup>th</sup>

#### TOUR HIGHLIGHTS:

Custom Cupboards was founded in 1981 by brothers Dan and Ron Henry. In the late 80's Custom Cupboards expanded to the dealer network, and today is made up of 163 dealers in 29 states. The company has continued to grow over the years and have made numerous plant expansions. They are a \$36 million company with 300 team members creating, manufacturing, and supporting a fast array of Kitchen and Bath home furnishings. We toured the 217,500 sq. ft. facility and had a great dinner.

#### PROGRAM INFORMATION:

Jim Pool with FLEXcon will be speaking on the topic of "PSA-You are already using it". PSA's are pressure sensitive adhesives that are used in every business in some way. Jim will explain how they are used and how important they are in the business world.
